Mr. Harold L. Brownman
Director
Office of Special Projects
Room 6B00 - Headquarters

Dear Mr. Brownman:

I want to welcome you to the CIA family and offer congratulations on your appointment as the Director of the Office of Special Projects. I am sure you will find this assignment an interesting and challenging one.

I know these are busy days for you, but I hope that you will find an early opportunity to visit us at the National Photographic Interpretation Center. We have many common interests. I should be pleased to have the opportunity to tell you of some of the things we are doing and, if time permits, show you some of our operations.

I look forward to meeting you and hope that this may be at an early date.

Sincerely,

Arthur C. Lundahl
Director
National Photographic Interpretation Center
